

Flushable Wipes, Personal Hygiene Items, Grease, and Rags

Dear Customer,

The City of Adamsville's number one responsibility is keeping our customers, town, and employees safe. In the past we have had problems in various locations where their clean outs and manholes where stopped up due to flushable wipes, personal hygiene items and rags. With the current situation we have with the cov-19 virus the City of Adamsville will be taking extra precautions that apply to our system, customers, and employees. Please be aware of the information below.

- Flushable wipes, personal hygiene items, rags, grease are not permitted into the sewer system.
- A charge of \$250.00 will be applied if a cleanout, service or manhole contains any of these items.
